

A Whole New Television Experience!

TalfazatTV offers top Arabic TV content for less money (actually, it's less than half the cost of cable or satellite).

With Talfazat TV you get non-stop entertainment, high quality video with no interruptions, all on your television screen.

So, what's the catch?

There is none. TalfazatTV offers up to 35 of the top live Arabic TV channels and over 3,000 hours of on demand episodes through the Internet and straight to your TV or computer screen.

Finally there is an option for people tired of paying the high price of satellite or cable for their Arabic programming. Talfazat TV offers you more channels for less money.
